

## Legal Services

During our initial collection activities, we will gather as much relevant information regarding your debtor in a bid to supply you with as much detail as possible, and to ensure that you can make an informed decision on whether to proceed with litigation. Our professional advice is supplied with your interests in mind therefore ensuring that your costs are minimised.

Our in-house Legal Department has many years of experience in the recovery of both consumer and commercial debt. We provide a vast range of legal services including a 7-day Letter Before Action (LBA), County Court Proceedings, disputed claims, Order to Attend Court (to ascertain financial circumstances), Charging Orders and Attachment of Earnings Order. Our debt management system also encompasses the functionality needed to include a late payment charge on your behalf in line with current legislation. We issue all of your claims in a County Court to ensure that your costs are kept to a minimum.

In addition to this, we can also issue legal action throughout Europe and through our network of international agents, can enforce your claims locally. Furthermore, we can offer legal services globally, utilising our reliable associates.

We also offer a legal consultancy service for our clients, and our legal team is available at anytime for advice or to discuss specific cases.
